We expected the same behavior as previous Shipping Method step, we should go to the next step automatically, but it's not the case (issue 1).

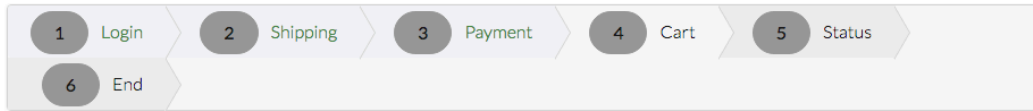

When hitting next we go to the Cart Step:

Name	Unit price	Quantity	Total price
MIRROR MERMAID BLUE	18,50 €	1  	18,50 €
SOFT MIRROR POWDER / COLOR CHROME	8,70 €	1  	8,70 €
	Subtotal		27,20 €
	Shipping		3,85 €
	Taxes		0,89 €
	<b>Total</b>		<b>31,94 €</b>

NEXT

Then if we change the quantity of any product, the cart is refreshed to recalculate:

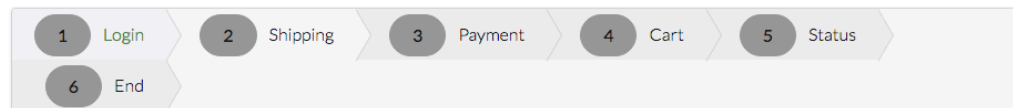

Name	Unit price	Quantity	Total price
MIRROR MERMAID BLUE	18,50 €	2  	37,00 €
SOFT MIRROR POWDER / COLOR CHROME	8,70 €	1  	8,70 €
<b>Total</b>			<b>45,70 €</b>

**NEXT**

Here we can see another issue that is, the prices “SubTotal”, “Shipping” and “Taxes” disappeared from the page.

And if we hit the Next Button we are sent Back to Step 1 again:

Shipping method

**CTT EXPRESSO** 3,85 €

**NEXT**

And having to re-do all the previous selections..

Thanks.
