Specifications

Regenervite Vital is a nutritionally complete meal replacement which helps you lose weight, while lowering cholesterol and maintaining strong bones.

Reasons to take Regenervite Vital every day:

- Cost effective - less than the cost of an average meal
- Great taste - smooth, rounded real fruit flavour
- Convenient - the powder can simply be added to water, or combined with milk or fruit for a creamy smoothie. Check out our [recipes](#)
- Contains dried, real fruit purees for flavour and colour
- No added colours, caffeine or artificial sweeteners
- Comes in a convenient 18 serve container

Health benefits^

- Contributes to weight loss (less than 1200kJ per meal)
- 3 grams of oat bran beta-glucan per serve to help lower cholesterol
- Calcium and Vitamin D for strong bones and reduce the risk of osteoporosis
- Excellent source of fibre and good source of protein to help you feel fuller for longer
